

■ Spark ATM Systems which places ATMs in retail, convenience and hospitality sites across the country is the 2011 winner of Productivity South Africa's Western Cape Productivity Award for Outstanding Achievement in Productivity Improvement in the Emerging Sector category. Pictured is sales director Russel Berman from Milnerton accepting the award by Alan Winde, MEC for Finance, Economic Development and Tourism. The event is run by Productivity SA in partnership with the provincial and the Regional Chamber of Commerce and Industry. Managing director of Spark Marc Sternberg from Camps Bay is a 2011 finalist in the Jewish Business Entrepreneur of the Year Award and the Sanlam/Business Partners Entrepreneur of the Year Award.
